"Land of the Free (Some Restrictions Apply)"

(Key of Dm, fast-paced, rebellious energy)

Verse 1

They say the game ain't rigged, but the dice won't roll,
CEO's got gold while we're digging holes.
They raised the rent, they cut the checks,
Now the working class is drowning in debt.

Pre-Chorus

Oh, the people scream, but no one hears,
Through the static and the corporate gears—

Chorus

Land of the free—some restrictions apply,
Hope's got a price tag, don't even try.
Vote in November, but the fix is in,
You can change the players, but the house still wins!

Verse 2

Trump prays on a Sunday morn',
Then signs a bill so kids are born
Into hunger, into chains,
While they count their stocks and fly their planes.

Pre-Chorus

Oh, the people bleed, but no one cares,
Too busy breathing billionaires' air—

Chorus

Land of the free—some restrictions apply,
Truth's on a blacklist, so watch what you type.
Keep your head down, don't step outta line,
Or they'll find new ways to make you comply.

Bridge (Spoken Word Over Music)

"They call it justice, but the jails stay full,
They call it freedom, but the cops play cruel.
If you ain't got cash, then you ain't got rights,
And if you ask too much, well—good luck with that fight."

Verse 3

They ban the books, they ban the words,
They ban the truth, but they'll sell you the absurd.
A history rewritten by billionaire hands,
While they blame the poor for their master's plans.

Chorus

Land of the free—some restrictions apply,
Justice is blind, but it still picks a side.
March in the streets, they'll call it a crime,
But the ones in power do worse every time!

Outro *(Slow & Defiant)*

They say the system works just fine,
But it ain't workin' for yours or mine.
Raise your voice, don't let it die—
Land of the free… some restrictions apply.
